SUPPLEMENTAL AMENDMENT

BOX AMENDMENT - NO FEE
Honorable Commissioner for Patents
Washington, D.C. 20231

Sir:

RECEIVED
JUN 05 2003
TECHNOLOGY CENTER R3700

Further in response to the second Office Action mailed December 23, 2003, and in addition to the changes requested in the AMENDMENT previously mailed to the USPTO on March 10, 2003, please further amend the above-captioned patent application as follows:

In the Claims

Please add new claims 21-40 as set forth hereafter:

21. A method of winterizing a landscape irrigation sprinkler system, comprising the steps of:

pressurizing at least one supply line connected to a plurality of sprinklers with a compressible fluid to remove the water therefrom to thereby avoid breakages that would otherwise result from freezing and expansion of the water in the Winter;
